

I, Eric Scott Ogden, Jr., hereby state as follows:

1. On the evening of March 6, 2018, I was arrested by the Glynn County police department on charges of criminal trespass.
2. About an hour after my arrest, I was booked into the Glynn County Detention Center. I asked my booking officer what my bond was, and he said "around \$1,000." I asked him if I could post 10%, because I had \$100, and he said no.
3. I cannot afford to pay \$1,000.
4. While I was employed recently, within the last 6-12 months I have become unemployed. Currently, my partner and I live off of her social security benefits. We do not have another source of income. We have about \$1,000 per month through

her benefits.

5. At the time of my arrest, I was without stable housing and homeless. My partner and I were staying in a storage unit. All of my belongings, as well as my cat and dog, are still in the storage unit. I am concerned about what will happen to my pets while I am incarcerated.
6. No one, including any judge, has asked me whether I can afford \$1,000 bail.
7. I have not yet appeared in any court proceeding. No one has informed me of any court date.
8. I have not heard from a public defender.
9. I have not been given any information about how to reach my public defender yet.
10. If I am not released soon, I risk losing my belongings in my storage unit.

11. I am a 30-year-old man.

12. I have three daughters.
