Wonderful, great idea to include church security folks. Don't forget to give me a date when we can meet prior. Any chance you'll be in Comming area?

I talked to him on the phone yesterday for an hour. He's coming. Also I mentioned to the Sheriff about inviting church staff in Barrow churches. He's all for it. We'll have a large crowd from officers to church staff

Already have 3 registered that are security from First Baptist Church in Atlanta. They are retired DeKalb cops.
