

CHECK YOUR VOTER STATUS

On a smart phone app

- 1** **Download** the Georgia Secretary of State App on your smart phone.
- 2** On the Home page- **click** on - “Am I registered to Vote?”
- 3** **Click** again - “Am I registered to Vote.”
- 4** **Enter** the initial of your first name, your last name, county, and date of birth. Click **submit**.
- 5** Your voter information should appear, **verify** that your address is accurate and your status is Active.
- 6** If the wrong address is listed, you will need to **update** your registration to reflect your current address on the Georgia Online Voter Registration website. **Click here.**

*****After you verify or get registered, make sure to take a picture of your registration in case there are any issues at the polls.**

If you experience a problem with your registration, please contact the ACLU of Georgia at acluga.org/GetHelp.
