## KNOW YOUR VOTING RIGHTS

★ GEORGIA ★

**Election Day is Tuesday, November 8, 2016**

### Ways to Vote

Early In-Person Voting begins October 17, 2016 and the General Election will take place on November 8, 2016. You may also apply for an Official Absentee/Advance Ballot to send to your registrar before the close of Election Day. In the case that there is a complication with your photo ID or your listed registration for your precinct, you may cast a provisional ballot to be verified within three days of the election. Early In-Person Voting and Regular Voting require appropriate photo ID, but absentee voters are not required to provide photo ID.

On election day between the hours of 9:30 A.M. and 4:30 P.M, if you are 75 years of age or over or are disabled, you may request assistance in voting and shall be authorized to vote immediately at the next available booth without having to wait in line.

### Registration

The last day to register to vote is October 11, 2016 (29 days prior to Election Day). You may register online or in person at your local board of registrar's office or public library. To confirm your registration status visit the My Voter Page on the Georgia Secretary of State Website.

### More Tips for Avoiding Problems

1. Locate your polling place and note the hours of operation by going to <http://mvp.sos.state.ga.us/> or calling the numbers below.
  - Fulton County Voter Registration: 404-730-7072  
130 Peachtree Street SW; Suite 2186; Atlanta, Georgia 30303
  - DeKalb County Voter Registration: 404-298-4020

2. If anybody asks you whom you voted for or is harassing you, make a complaint to the chief manager of your polling place and call your county elections office or the Secretary of State.
3. Georgia uses voting machines with touch screens- you may ask a poll worker to explain the voting method.
4. If the voting machine malfunctions tell a poll worker before you cast your vote! If you spoil a paper ballot, you have the right to a replacement ballot as long as you did not cast it. If your voting machine malfunctions, you may request a different machine or a paper ballot
5. If you are in a wheelchair or have other adaptive equipment, no poll worker may touch your equipment without prior consent.
6. If the precinct does not have a permanent handicapped parking space, they must designate a handicapped parking space by placement of a temporary "Handicapped Parking Sign".
7. Animals that assist people with disabilities should be admitted into all buildings.
